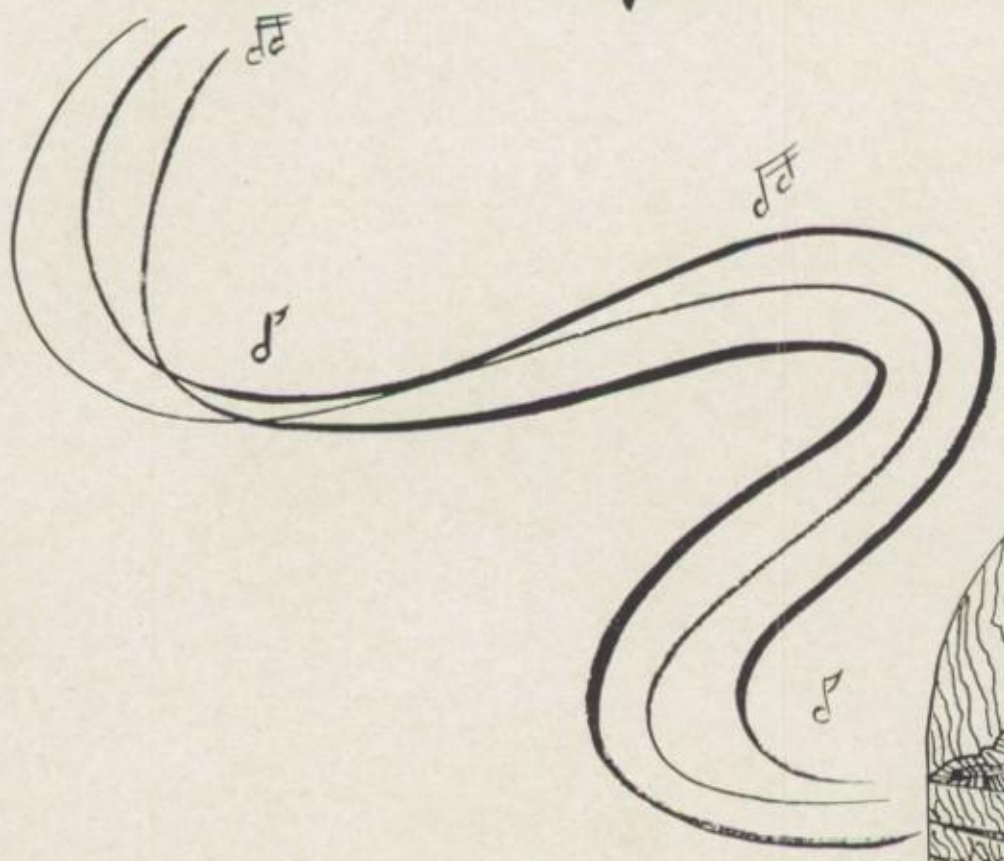
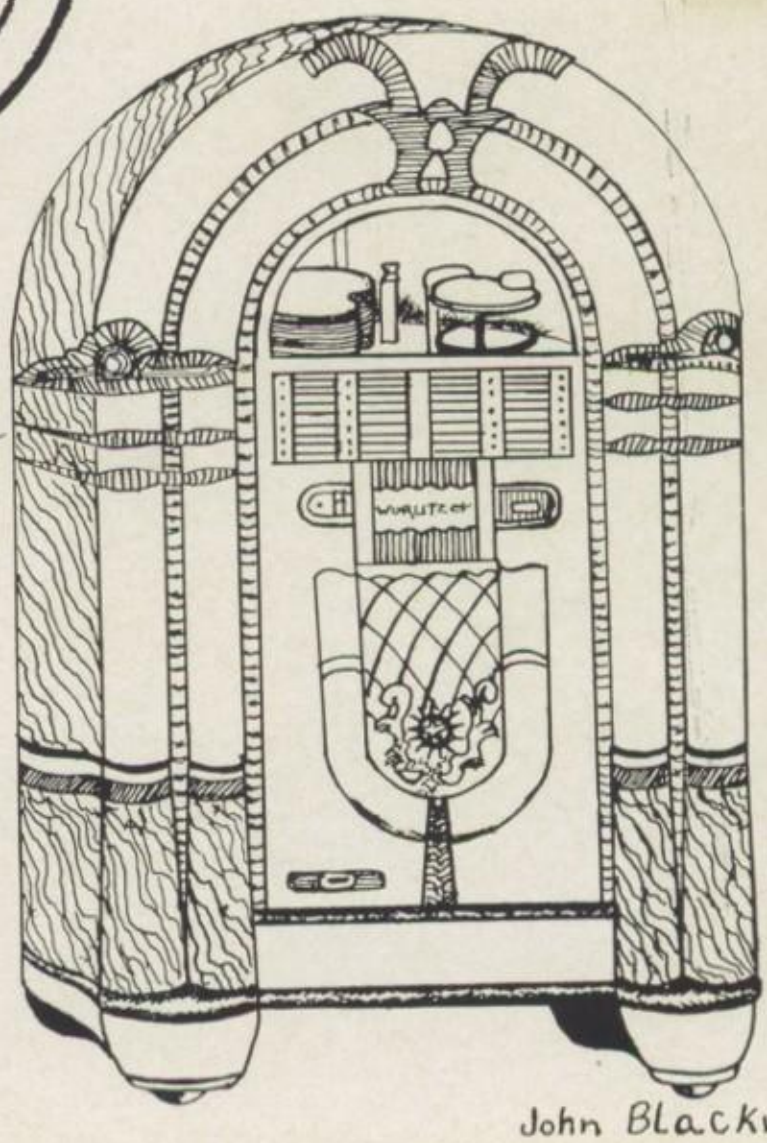
presenting the Tune Time Edition of the 1950 "MUSICAL LOG"





John Blackwell

PRELUDE

Our musical theme which fills these pages of your 1950 Log, we hope will strike a responsive chord in your heart. As the years go by, and you return to this Log, we are sure you will hear the warm melodies of your friendships and best memories over and over again. Even when the dignified strains of the Old Age Waltz better become us, this Log will refresh us with the happy, lively Dixieland of 1950.

Editors and Advisor

From the first of September to the middle of April, those long-faced people with intent countenances whom you have seen scurrying through the halls have been the workers on the Log Staff.

On any typical day of the school year, members of all staffs could be seen working: the editorial staff editing copy, planning pages and pasting pictures; the business staff selling Logs; the advertising staff scurrying from the building at 3:10 to get a new patron for our Log; and, Mrs. Erickson trying to co-ordinate all activities and making sure that the annuals are out on time.

The staff has tried, through individual pictures of all the classes, novel introductory pages, and the Musical Log Queen, to present a yearbook of which not only the Class of '50 but all the classes in school could be justly proud.

"ANYTHING FOR YOU"

EARL W. WAX
Principal

As our new leader this year at F.H.S. this gentleman just can't be beat . . . for he is able to take care of everything from ordering thumb tacks or pins to the finer points of his administrative duties.

Foremost in his mind at all times has been the interests of the students, their likes and dislikes, and their many problems which he has undertaken to help them solve.

Mr. Wax certainly merits the sincere thanks of the community and a grateful student body who appreciate a real headlight.

"EXHILARATED, EXASPERATED, EXHAUSTED"

"Were you tardy again today? You'll have to start serving detention," said Mrs. Helphinstine, our attendance clerk.

"Oh, gee whiz, where could that two cents be?" asks Miss Mountz, bookkeeper of our school and secretary to Mr. Wax.

Cliffordine Mountz, Secretary; Doris Helphinstine, Attendance Clerk.

Mr. McQueen, Mr. Wax, Miss Cogswell

"CAN'T WE TALK IT OVER"

When problems arise Mr. McQueen and Miss Cogswell are the people to see. The Deans, among other jobs, help us with our schedule problems, solve our minor troubles, set us straight on college requirements, and keep spring fever from lowering the attendance record.

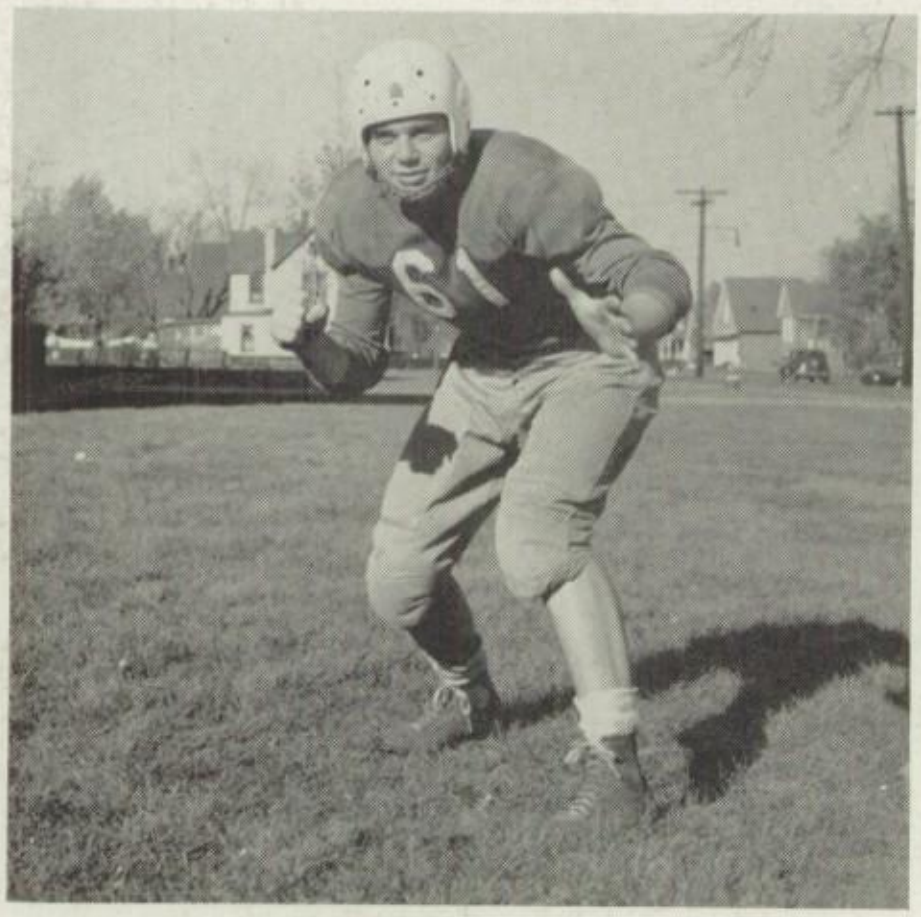
SECOND IN CENTRAL CONFERENCE



GENE COE, Captain, Center

This year we had two new coaches join our staff and their debut proved very successful. Marvin Schultz, a Feitshans graduate, took over the job as head football coach and Robert Carpenter became Freshman coach. The varsity ended the season with a five and three record and the Freshmen won five, lost none, and tied one.

Mr. Halberg started his fourth year as head basketball and baseball coach. Although the basketball team started slowly, they gained momentum as the season progressed. Coach Halberg was very fortunate in having six of his first nine boys back for another baseball season.

"FIGHT TEAM, FIGHT"

Mr. Barniskis, who is known around the school as "Barney," started his third year as head track coach. Barney also doubles as head line coach for the football team. We hope that his team will make as good a showing this year as it did in '49, at which time they won the Central Conference and placed second in the city meet.

To all the coaches, the best of luck in the future.

"TOUCHDOWN SURE THIS TIME"

The Flyers, undefeated and tied once, again captured the city championship. Only a tie with Cathedral spoiled a perfect season. In a few months, Robert Carpenter, in his first year of coaching at Feitshans, changed a bunch of inexperienced but willing boys into a hard-charging, smoothly operating team that crushed all opposition. We congratulate all the freshmen and wish Mr. Carpenter many successful future seasons.

"PUT IT IN THE BASKET, BOYS"

The Fighting Feitshans Five, coached by LeRoy Halberg, turned in a record of 12 wins and 15 losses at the end of the season. We are fortunate to have back with us next year such outstanding players as Robinson, Jones, Daugherty, and Ushman. After the Holiday Tournament the Flyers showed great improvement. Although this record doesn't look too good, there were many close games which made all fans take great interest. After 7 straight wins, the Flyers met with a tough opponent, Clinton, to whom they lost during an overtime. As the Regionals got under way, we lost a decisive overtime battle with S.H.S. (42-40), who later went on to win the Regional Tournament.

Left to Right: Coach L. Halberg, J. Locker, P. Robinson, L. Evans, L. Urbas, E. Alewelt, R. Fortner, R. Ellis, W. Ushman, J. Blackwell, H. Daugherty, J. Jones.

The Junior Varsity, under the fine coaching of Bob Carpenter, turned in an excellent record of 13 wins and 7 losses. They were led by some fine boys such as Blackwell, Evans, Locker, Urbas, and Blahofski, and we will be glad to have them back next year. Mr. Carpenter not only showed these boys how to play well, but he also taught such things as sportsmanship, good team spirit, and most of all how to play with others.

The Feitshans Freshmen, coached by Marvin Schultz, didn't play too many games but showed future possibilities as being the up-and-coming team of the Flyers by 1951.

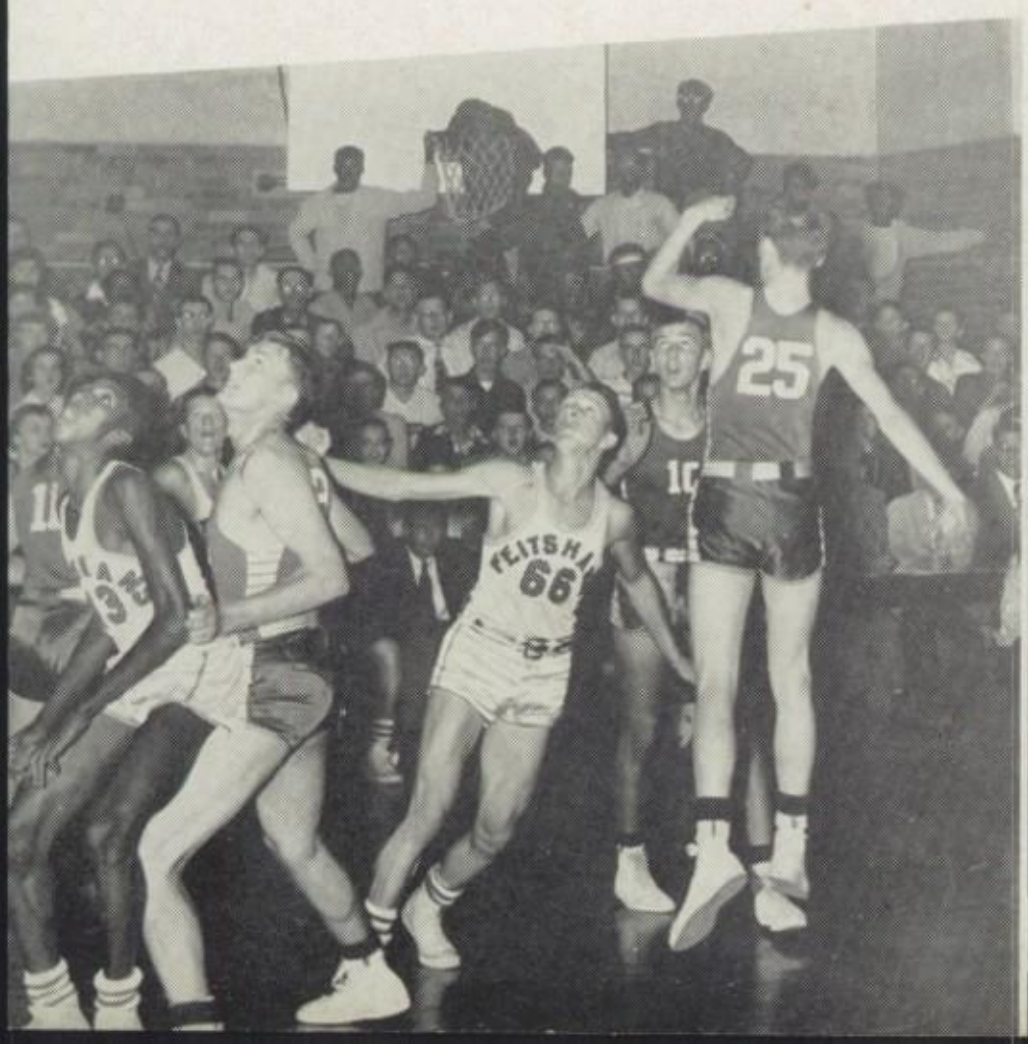
CHEERLEADERS

F. Gedaminski, B. Owens, N. Dietrich, G. Hughes, D. Jannazzo, R. Grove.

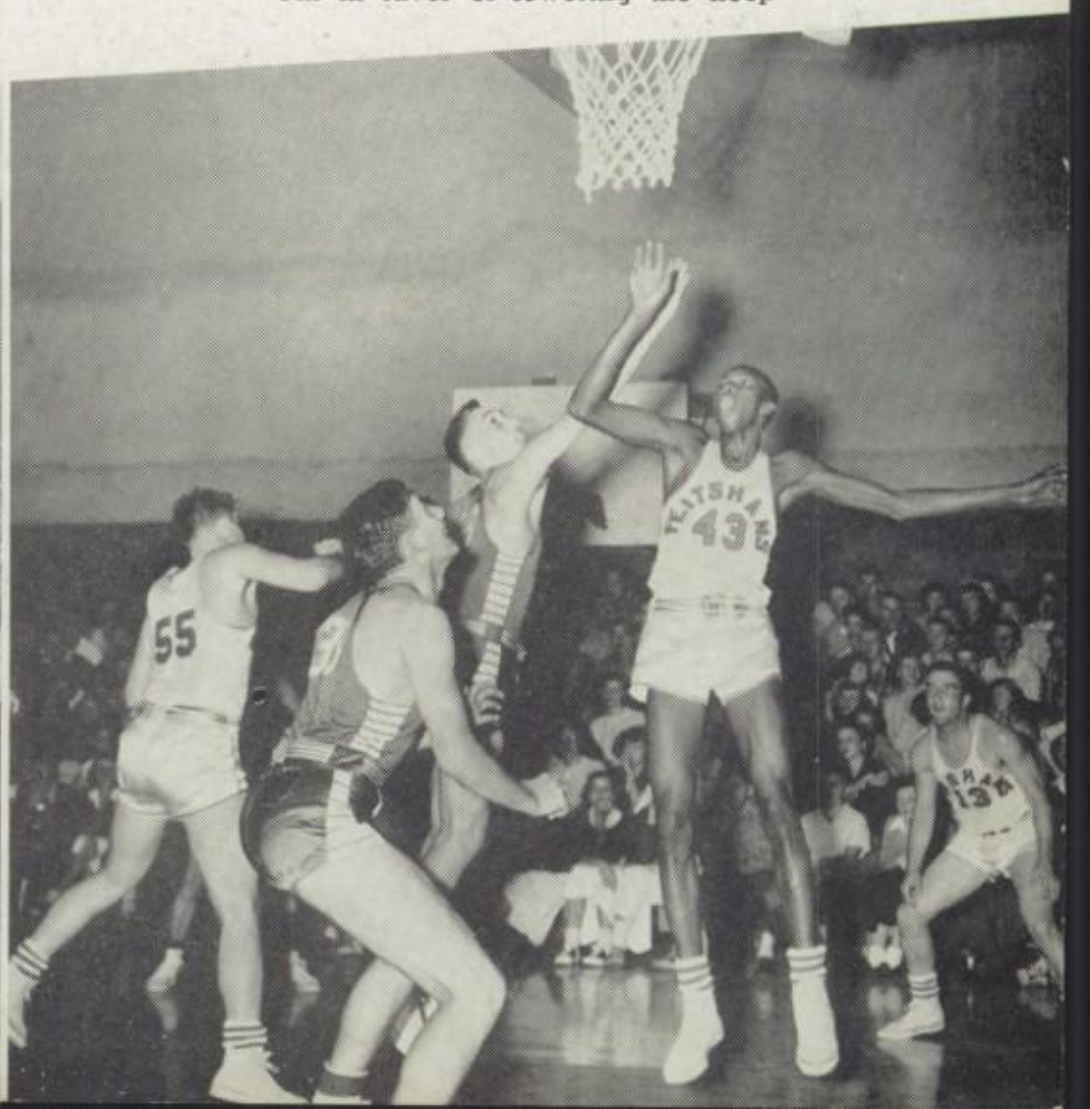
"We've Got the Pep" . . .

Yea Blue! Yea White! Yea Team! Let's fight! is one of the yells that ring through the rafters and shake the building at athletic events. Our cheerleaders help build up school spirit and bolster the morale of our athletic teams. This year they were elected the democratic way—by the vote of everyone in the school. They have proved our good judgment by not missing a game and constantly promoting school spirit. Few people realize how much work there is to being a cheerleader. They yell their lungs out at every game leading the fans in cheers. Right now let's give a great big cheer (Rah! Rah! Rah!) for the gals behind the team—the Cheerleaders!

"What do they see?"



"I'm in favor of lowering the hoop"



"RUNNIN' WILD"

"On your mark"

The amount of boys that turned out for track this year was not as good as the previous year, but they show great possibilities. Due to the weather conditions there has been little practice before our regularly scheduled meets. The failure of much practice does not seem to have handicapped the boys, as they go right on winning. We are very fortunate to have back with us again this year E. Johnson, H. Cox, G. Hughes, J. Spence, F. Kincaid, A. Inkster, T. Bottoms, G. McLaughlin, B. Knox, F. Pettit, and M. Aubrey. Walter Barniskis' excellent coaching has been proven by the records already turned in this season. As our book goes to press, we are looking forward to winning the Central Conference Track Meet again this year as we have in the past two years.

Back Row: L. Andruczk, J. Powell, G. McLaughlin, J. Jones, C. Hutchinson, D. Chrans, L. Urbas, F. Kincaid. Fifth Row: T. Bottoms, E. Johnson, J. Paget, J. Spence, R. Sabo, E. McNulty, A. Inkster, B. "TAKE ME OUT TO THE BALL GAME"

Back Row: R. Sedlack, D. Burgess, P. Robinson, F. Blahofski, R. Patterson, J. Blackwell, J. Jones. Fourth Row: K. Carter, H. Lokaitis, D. Bianco, D. Dodd, T. Cottingham, G. Lord, C. Murray. Third Row: L. Halberg, Coach; E. Lamkin, J. Galloway, J. Vono, T. England, P. Lauterback. Second Row: R. Taylor, J. Locker, B. Spence, R. Ellis, L. Evans, R. Curtis, E. Groth. Front Row: O. Farris, T. Johnson, E. Alewelt, R. Fortner, W. Ushman, B. Bennett.

The outlook on baseball looks very bright this season. We have eight returning lettermen. Among the veterans are P. Robinson and B. Bennett, pitchers; W. Ushman, R. Fortner, and F. Blahofski, outfielders; B. Matlack, catcher; E. Alewelt, second base; and R. Ellis, third base. We have a number of promising boys, among them, T. Johnson, G. Lord, R. Curtis, L. Evans, and J. Locker.

The Flyers started the season out right with a 16 to 9 triumph over Mt. Pulaski. The boys showed off a hard hitting and a clean fielding outfit. Let's continue this fine spirited play throughout the rest of the season.

"Experience is the best teacher"

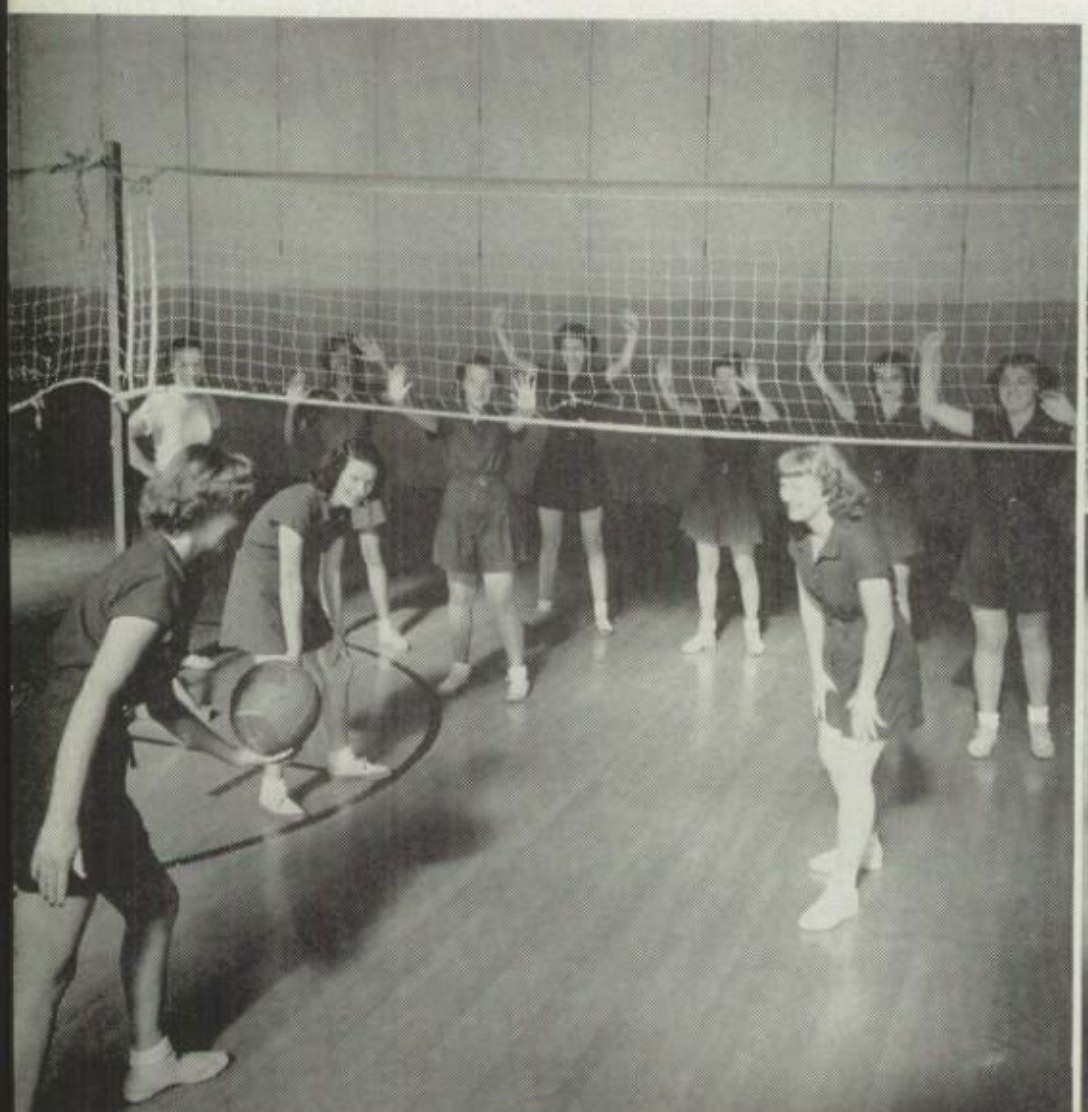
"Strike two"

"Batter Up!"

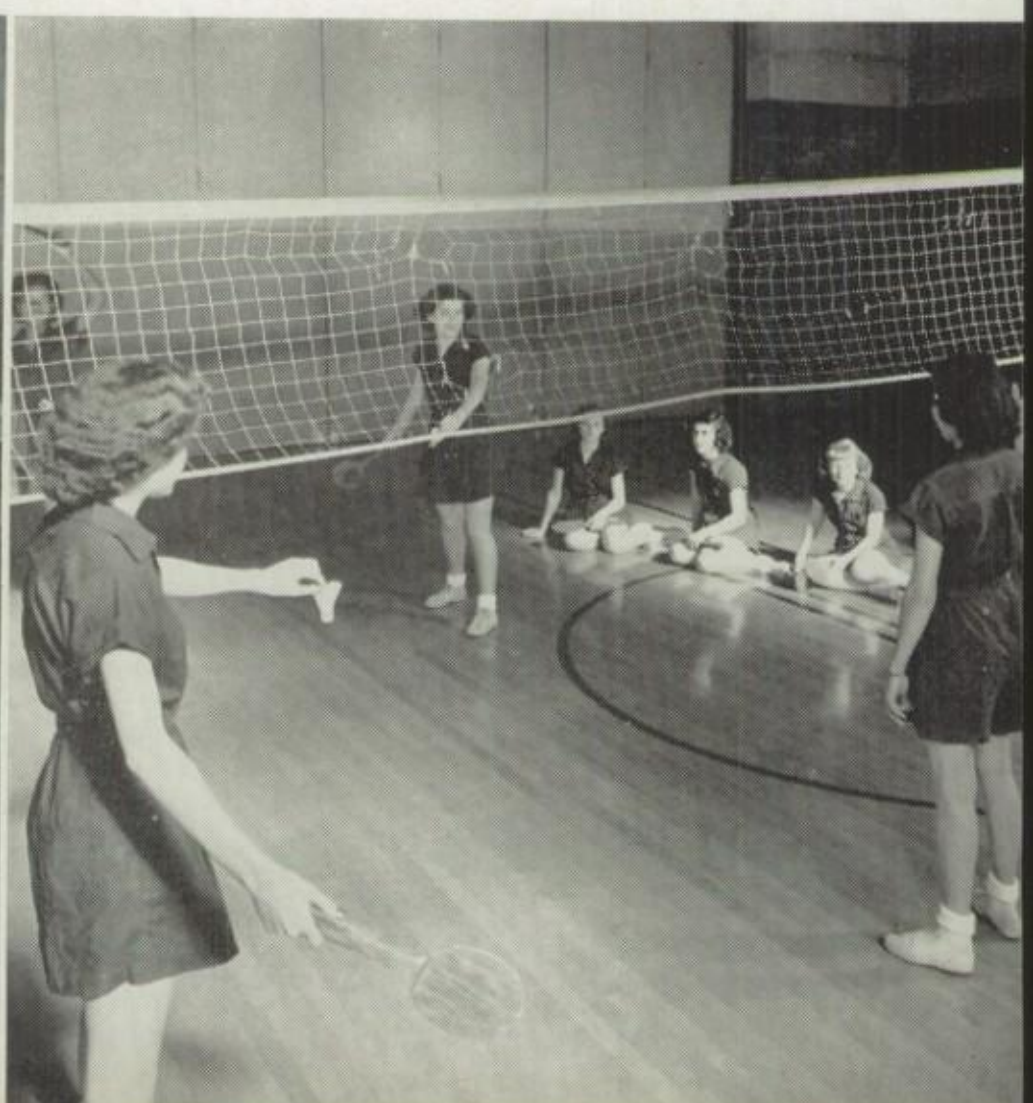
"HAVING A WONDERFUL TIME"

Strike one! Strike two! S-T-R-I-K-E Three! You're out! It's not hard to guess who is umpire. Yes, you guessed it. It's Miss Daly and one of her many gym classes having a bang-up ball game. Then if you peek in the gym when the weather is bad, you might see a fast-moving basketball game, exciting games of volleyball, cageball, and wonderful games of badminton.

"Should be a score here"



"Watch the birdie!"



Then there are the exercises—oh, my aching back! The girls don't mind because these exercises develop good posture habits, flexibility, and poise. An occasional day is given over to group games and relay races, and what is more fun than races, especially when we imitate monkeys, crabs, ducks, and other members of the animal kingdom. And whoever heard of tests in physical education, but we have them—individual skill tests in the various games and written tests on rules.

But after all the fun and exercise, its mighty nice to take a refreshing shower with its accompanying shower room pranks and community singing. Miss Daly requires all girls to buy gym suits. These comfortable suits, besides giving the classes a nice appearance, permit complete freedom of action on the gym floor. All in all, the gym classes at F.H.S. are hours to which the girls look forward with pleasure.

"We want a basket!"

"GOOD HEALTH MAKES ONE'S MIND MORE ALERT!"

"Oh, my aching back!!"

STUDENT COUNCIL

Our efficient President, George

OFFICERS

GEORGE HUGHES.....President
CHARLES REAM.....Vice President
RONNY ELLIS.....Secretary
BETTY THOMPSON.....Treasurer
MR. McQUEEN.....Advisor

Did you ever notice all the sleepy faces around the school on Tuesday morning? Undoubtedly, they were the loyal members of the Student Council who arose from their beauty sleep in the middle of the night in order to make it on time for their weekly 8:00 a.m. meeting.

The Student Council is an organization to help govern the school. Though the Council has no executive power, they make many helpful suggestions to Mr. Wax.

Among the things accomplished by this year's Council were: sponsoring of many after-school game dances, publication of the student directory, publishing a school paper, the organizing of an alumni association, plus giving valuable aid to the Feitshans Men's Club.

Standing: F. Nizzio, R. Ellis, J. Richardson, P. Ray, C. Ream, M. Chapman, G. Hughes, President; Mr. McQueen, Advisor; B. Thompson, T. Humphrey, A. Inkster, D. Drury, D. Dodd, L. Fafoglia, S. ALLIED YOUTH

Allied Youth is a national movement in alcohol education and alcohol-free recreation. Allied Youth, Inc. is an organization, started in 1936 in Washington, D.C., which organizes, charters, and serves local AY Clubs (called Posts) over all of the United States, Hawaii, and Canada.

The Feitshans Post was organized in November, 1947. The forty members meet twice a month for programs, games, square dances, parties, and social dancing, having a great deal of fun and, at the same time, learning that it is not smart to drink while high school students' physical, emotional, and nervous systems are immature. Their programs are geared to the interest of teen-agers.

"STRIKE UP THE BAND"

Perhaps you are one of the lucky people who has a sixth period class close to the band room. Then you have had the monotony of the day relieved by the beautiful euphony of the F.H.S. band.

If not, you have certainly seen them going through their tricky formations and playing their hearts out at the football games. When weather permits, they wear out many pairs of shoes practicing these formations around the school.

The band also gives an annual spring concert and plays at the P.T.A. ice cream social. Through all of these activities, they are under the direction of Mr. Melvin McCoy.

"SAY IT WITH MUSIC"

"The sopranos are flat—a little more on the alto—that's it—now louder!" shouts Miss Matlack at the choir rehearsals third hour, and sopranos get on pitch, and the alto section swells in volume as the group responds to her direction.

These are the people who give us our music on many different occasions. Do you remember some of the outstanding programs of the year, the group work and the solos—such times as the Vespers, when they did their version of Handel's "Messiah" with the fine solo work by Ruth Bibb, Mary Cox, Darrel Denton, Wayne Meierhans, Ernest Neuber, and Gloria Winston. Then that formal spring concert could never be forgotten. The choir outdid itself from processional to recessional to help make these two of the loveliest occasions of the year.

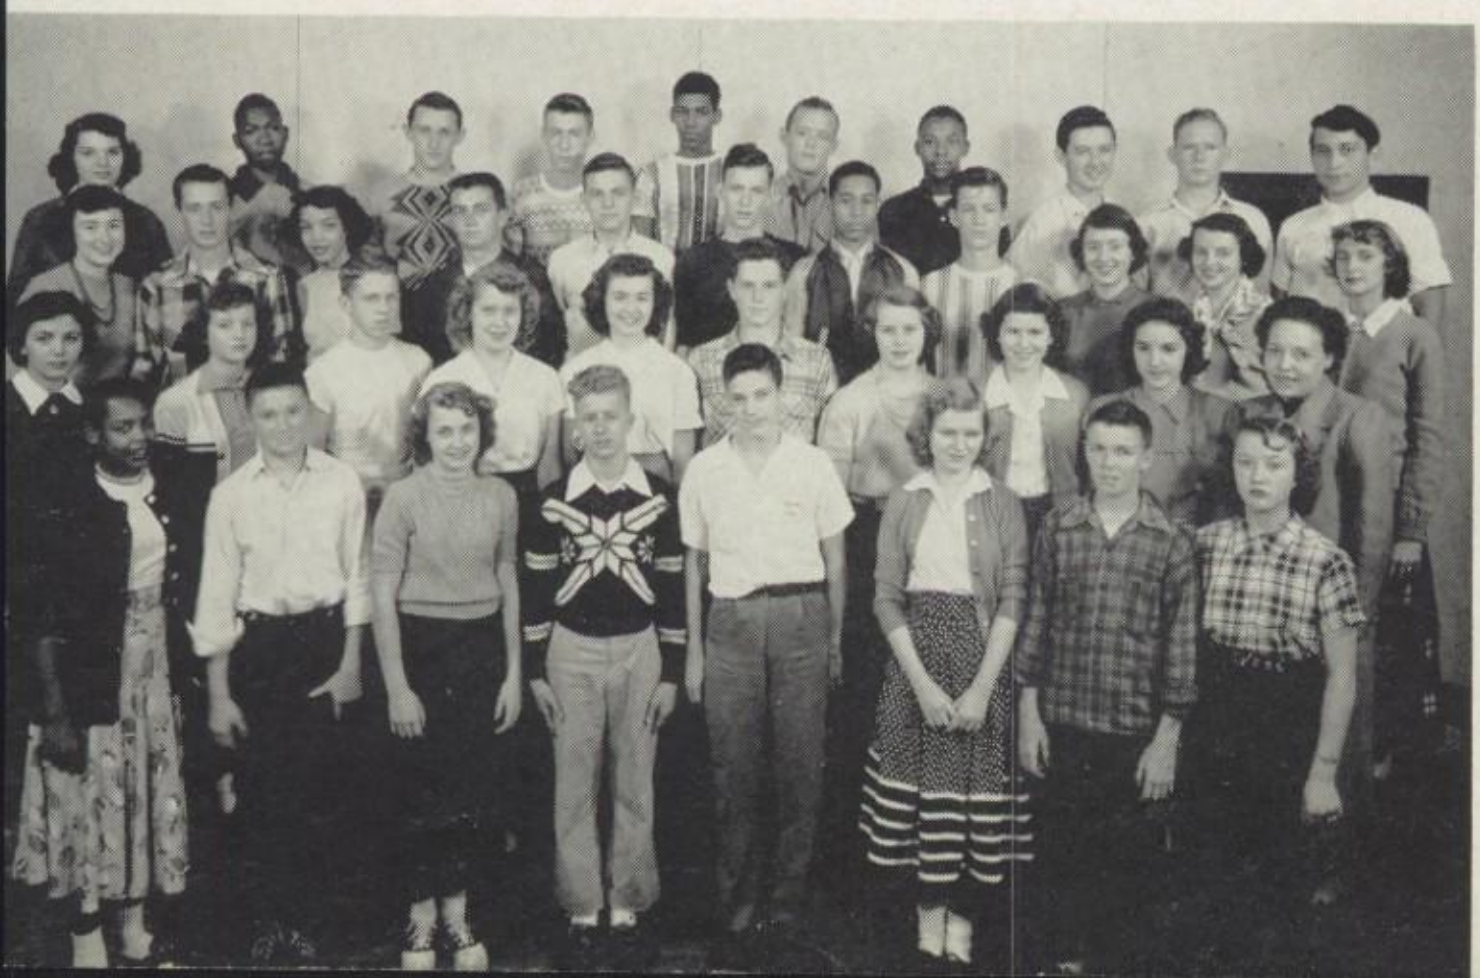
Besides playing an important part in F.H.S. affairs, this busy group gave various programs for outsiders throughout the year.

GIRLS' CHOIR

Back Row: M. Lock, E. Hadley, B. Clark, J. Ragland, B. Dodd, F. Pell. Front Row: M. Hoffman, C. Baldock, E. Sandige, R. Aplin, B. Hamrick, D. Fox, S. George, L. Gallagher, Miss Matlack, Director.

Yes, it's the Girls' Choir, one of the best choral organizations in this school! What they can do to a song of three part harmony with those fifteen lovely voices! That's right girls, keep your pitch up and watch that breathing.

Don't forget us! We're important too! Not first choir, but maybe someday we'll accomplish that honor—forty-three of us. We're waiting for promotion Miss Matlack! Who's next?



SECOND CHOIR

G. A. A.

The Intramural program is sponsored by the G.A.A. and the Department of Physical Education. Miss Daly, instructor and advisor, deserves much credit for the fine program which was carried out this year. It was arranged with the hope that it would interest as many girls as possible.

The program consisted of softball, basketball, and volleyball. At the end of the year an award of a letter in a particular sport is given to the girl for participation in a certain number of games.

Back Row: F. Wax, W. Rembert, M. Wilson, J. Fox, R. Sorenson, K. Best, E. Gramlich. Second Row: C. Fobbs, M. Gough, D. Hubbs, B. Ford, E. White, B. Henson, P. Ferguson. First Row: W. Krimmel, D. Miller, E. Marcy, A. Rhodes, L. Mayberry, N. Cleveland.

GIRLS' CLUB

The newly formed Girls' Club started its activities by having a wiener roast for the freshman girls. Because of bad weather the wiener roast was held at the school, but rain didn't dampen the spirit of the occasion, as a good time was had by all. On October 28 the Club had a Halloween Dance to raise money for the Christmas project, which was making toys for the crippled children. During the second semester the Girls' Club sold stationery with the school emblem engraved at the top.

Miss Cogswell served as sponsor of the organization of 250 members. She deserves a lot of credit for her splendid job. The Club is governed by four officers and a Council of eighteen girls elected by each class and a Committee Chairman appointed by the president. This Club, that has "Service To Others" as its motto, is certainly an up-and-coming organization for all girls at F.H.S.

BLUE & WHITE STAFF

Be careful what you do or say! Those super snoopers of the Blue and White may be snooping in your vicinity.

Lindo Fafoglia did a mighty fine job as editor and organizer of the Blue and White in its first year. We hope that it continues to dig up scandals for many more years and becomes an institution at Feitshans.

FUTURE HOMEMAKERS OF AMERICA

F.H.A. is an organization of pupils studying homemaking in junior and senior high schools. F.H.A. believes that helping to make happy homes is the most important thing youth can do for democracy. Their colors are red and white; their flower, the rose; and their motto is "Toward Newer Horizons." DRAMATICS CLUB

"Hey, don't put that lipstick on me—I'm a boy!"

"Bill, show Carol how to hang that door—it's crooked!"

"But it's obvious I'm insane—so I have to say my line this way."

Such remarks are commonly heard in our Dramatics Club, which is sponsored by Miss Yonick. Here we learn to portray characters, to read and appreciate good plays, to build a set, which includes painting and decorating it, and finally how to use make-up.

ASSEMBLY COMMITTEE

"Wasn't that a swell assembly we had today?" Guess who planned it—of course, the Assembly Committee. This may sound like a "rocking chair" position to those who have nothing to do with it, but one doesn't realize how hard it is to plan assemblies that will appeal to all students.

Thanks, Assembly Committee, for the educational, as well as entertaining assemblies during '49 and '50.

Feitshans High School
Springfield, Illinois

Dear Miss Owens:

Thank you for the pictures of the "Log Queen" contestants. I have selected the girls, but must admit it was a very difficult decision since they are all very attractive.

My choice for the "Log Queen" is Miss Nancy Dietrich, and the two others I have selected are Miss Donna Jannazzo and Miss Lael McFarland.

I think Miss Dietrich is very pretty, wholesome looking and appears to be very charming. Miss Jannazzo and Miss McFarland are both fine looking girls and most attractive.

Please convey my best wishes and congratulations to the winners and the other contestants. They are all lovely young ladies.

Best wishes,

PERRY COMO
